

Due to the ongoing COVID-19 pandemic, Hurley will begin Fall 2020 classes in a hybrid class model in order to limit in person class size. Please see below for a description of our Hybrid Model. Please note that Hurley will continue to follow state and county health department guidance as the health crisis in our community continues to evolve.

This schedule has been carefully created so that our teachers and dancers can pivot as needed as the current health situation within our community changes. The schedule allows for a shift to ALL ZOOM if needed, and it also allows for an INCREASE in class size when it is safe to do so.

On behalf of our teaching staff at Hurley, I truly appreciate the patience and feedback from our dance families as we navigate such a difficult time for our families and community. The health and safety of our dancers, families, and teachers remains the priority. For more information on our reopening procedures, please follow this link: [Fall Reopening Plan 2020](#).

Hybrid Class Model Description

- Class registration will open online as per usual using the following link: <https://app.thestudiodirector.com/hurleyirishdancers/portal.sd>
- **All championship level registration must be completed no later than August 28th. All grade level registration must be completed no later than September 1st.**
- Once class registration is complete, classes will be split into A and B groups in groups of no more than 8 dancers. If a class has more than 16 dancers (none anticipated at this point), a C group will be added.
- Group A will be IN STUDIO week 1 while Group B will SIMULTANEOUSLY be present in class via ZOOM. Groups will rotate every week between IN STUDIO and ZOOM. A clear schedule with Zoom Meeting IDs will be posted once registration is complete.
- Teachers will open the Zoom meetings when class begins. Classes will be structured in a way that both in studio dancers and zoom attendees will be able to participate.
- If any students/families are not comfortable coming into the studio, they can attend via Zoom for every class.
- If any class has less than 8 dancers registered, that class will be held IN STUDIO at all times assuming all families are comfortable with this.
